

Voice, organize and support!

What We Do

UPTA plans and coordinates fundraising events throughout the year. We help the UISG community achieving its mission, working towards continuous academic, social and environmental improvement.

Meetings

The UPTA meetings are held 4 times a year, and the dates are mentioned on the school calendar. Everyone is welcome to attend these meetings. We support workshops organized by the school to help parents understand the curriculum better.

We Need You

All parents and teachers of UISG are automatically members of the UPTA. All support and help from you makes a huge difference! Feel free to contact your representative to find out more: upta_gz@uisgz.org
